

COHORT 6 FOR PHMI PARTICIPANTS

You're Invited! Medical Assistants participating in the Population Health Management Initiative (PHMI) have exclusive access to this free professional development program.

Program Benefits:

- ✓ Over 39 hours of training for MA certification/recertification
- ✓ 3 one-hour live sessions (March-May) to build community and share best practices
- ✓ Access to courses from CPCA and the National Institute for Medical Assistant Advancement (NIMAA) for 1 year in a flexible online, on-demand format
- ✓ Opportunity to put PHMI skills into practice

***The program launches
March 27, so don't wait!
Register today for this
amazing free
opportunity!***
