Learning Objectives

1

Identify shared challenges and pain points, and strategies to mitigate.

2

Develop insights and ideas from colleagues facing similar challenges.

3

Build capacity to problem solve with a structured framework.

Agenda

01	Introductions	5 mins
02	PHMI Leads Peer Breakouts and Debrief	25 mins
03	Offers/Asks Whiteboard	15 mins
04	Time Capsule Activity	35 mins
05	Debrief & Close	5 mins

We never know how our small activities will affect others through the invisible fabric of our connectedness. In this exquisitely connected world, it's never a question of 'critical mass.' It's always about critical connections.

Offers & Asks

Time Capsule Activity

Objective: Share a real-world challenge with your peers and get real-time feedback in a structured format.

Reframe your perspective on a sticky problem.

Time Capsule Activity

- Volunteer shares a specific PHMI/work related problem (2 min)
- Peers ask questions about the problem (3 min)
- Volunteer disappears into the time capsule
- Group discusses how they might solve the challenge (5 min)
- Volunteer “returns” to share insights/takeaways (2 min)
- Repeat

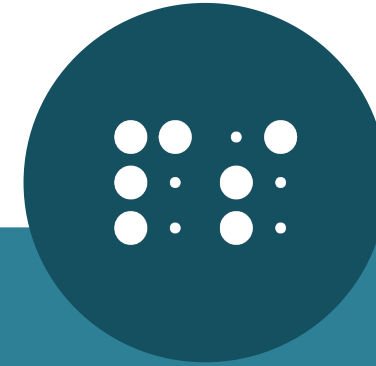

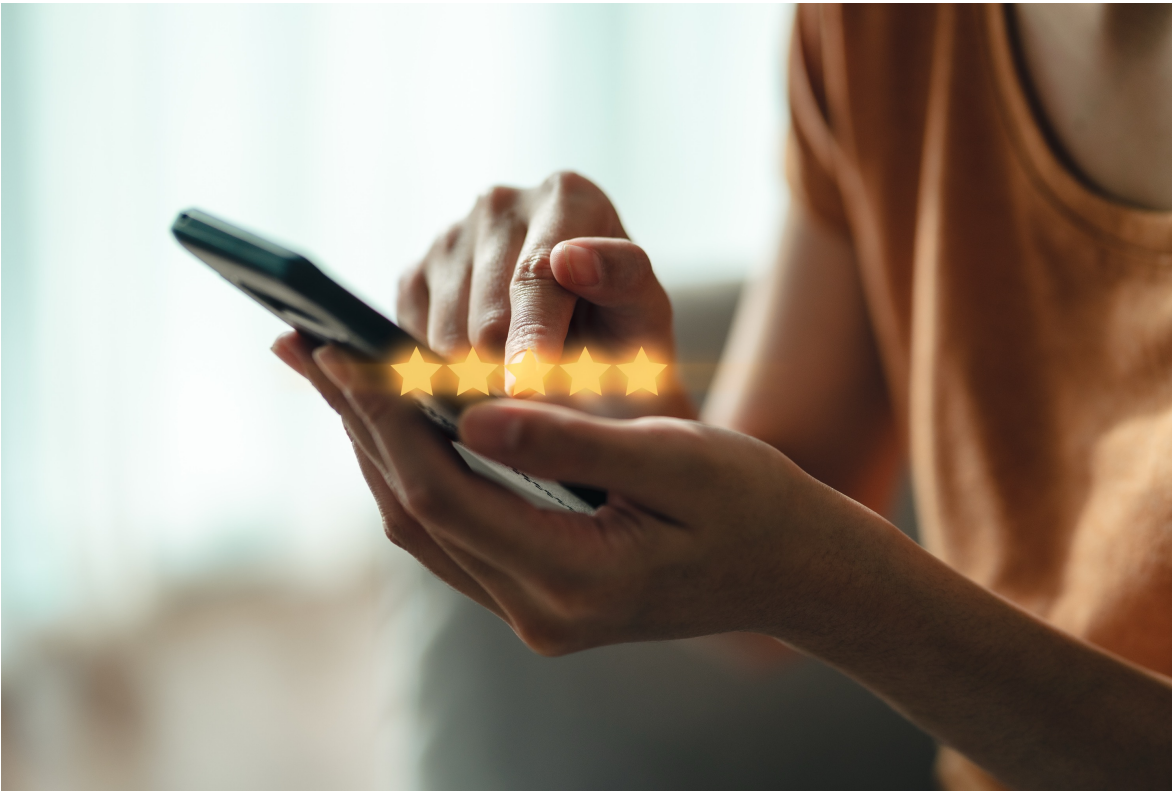

Debrief

- What came up? What did you learn? Other insights?
- Identify at least one other person you will connect to after today for support or ideas. Exchange emails!
- Choose at least two next steps to bring to your health center:
 - Population Health Leadership Team
 - Implementation Team
