## Pt 2: Strategy 1: Empanelment

# PHM INITIATIVE

Impact of strategy on clinical/process outcomes:	How does this strategy contribute to improving HEDIS/UDS measures?	How does this strategy contribute to improving equity/decreasing disparities?	.
Designated leaders and sponsors:	Who will be leading this strategy moving forward?	Who is the executive sponsor for this strategy?	
Action steps and resources:	What conditions are in place to support this strategy? (using the PHMI Conditions Worksheet)	What resources will you need to sustain this strategy? <small>(Describe funding streams or financial model and</small>	What risks/vulnerabilities do you anticipate and what are possible mitigation strategies?)
	Outline 3-5 ongoing, tactical actions that will ensure this strategy will be sustained over time.	What needs shoring up and more work to hard wire?
